

Please join us for a Women's Conference as Margaret invites us to *Taste and See* the goodness of our Lord.

Descend 410 feet down a salt mine, harvest olives in Croatia, fish on the Galilee, spend time with a premier fig farmer, bake matza in under 18 minutes, and study under a butcher known as "The meat apostle." This delicious, insightful, three part look at food in the Bible will change the way audiences read the Bible, approach every meal, and encounter Christ as their Lord and Savior.

Margaret is a kick back person often found with shoes off and drinking iced tea on the back porch.

You'll often find Margaret, Hershey in tow (her puppy) adventuring outdoors. She enjoys hiking, river rafting, skiing, and scanning the night sky for the northern lights and shooting stars.

Taste and See Women's Conference

Women's Ministry

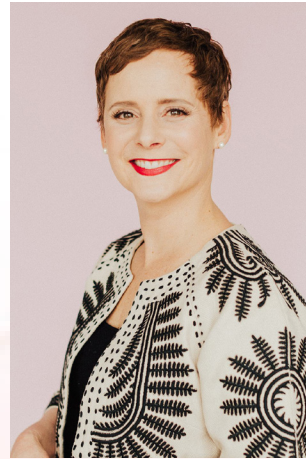

I'm Margaret Feinberg. I'm a passionate writer, quirky speaker, and funny Bible teacher who wants to help you evaluate your faith, spark your joy, and love your precious life.

I spend most mornings with my good friends, coffee and God! Without coffee mornings would be difficult. Without God, life would be impossible!

Margaret is the host of the popular podcast, *The Joycast*. She is a popular Bible teacher and speaker at churches and leading conferences such as Catalyst, Thrive, and Women of Joy, and creator of best-selling coloring and creative books for grown-ups. Her books, including *Scouting the Divine*, *Fight Back With Joy*, *Taste and See: Discovering God Among Butchers, Bakers and Fresh Food Makers*, and their corresponding Bible studies have sold over 1 million copies and received critical acclaim an extensive national media coverage from CNN, the Associated Press, USA Today, Los Angeles Times, Washington Post, and more.

She was recently named one of 50 women most sharing culture and the church today by *Christianity Today*. Margaret lives in Utah with her husband Leif, who pastors a local campus and their super pup, Hershey. She believes some of the best days are spent around a table with amazing food and friends.

She boasts of an exceptionally dry sense of humor that she attributes to her Jewish father. She knows her parents are the coolest because her dad has been inducted into the surfers Hall of Fame and her mother earned her captains license for 60 ton ships!
